

**Ms. Neha Khatri, Scientist, CSIR-CSIO participated in "2nd BRICS Young Scientist Forum", Hangzhou, China", 11-15 July, 2017**

The young scientist forum was organized and coordinated by Zhejiang University, Hangzhou, China. Ms. Neha Khatri was among 20 candidates who were selected and recommended by the Department of Science and Technology, Government of India. This forum provided a platform for connecting and networking among young researchers/ scientists to hold discussions and find solutions to some of the common challenges and problems being faced in BRICS countries.
