

Important Instruction for Abstract Submission to OPTOIn-2024 conference

1. The authors are advised to prepare the manuscript as per the template of the OPTOIn-2024 conference.
2. The template file for the paper can be downloaded from the website of OPTOIn-2024.
3. The authors are strongly advised to adhere to the ***page limit of maximum 2 pages for the aforementioned conference paper.***
4. All the relevant information and the submitted paper must be written in English. Both new research and work-in-progress are welcome for submission.
5. The authors should name the prepared manuscript in the following manner: **Abbreviated form of Research Area_Title of the paper**. The abbreviated forms of research areas are given on the website. For example, if your manuscript comes under the scope of Optical Design, Fabrication and Metrology (ODF) and title of manuscript is "Design of IR camera lens system" then write name of manuscript file as: ODF_design-of-IR-camera-lens-system.
6. The abstract of the submitted conference paper should outline the brief summary of the research work and restricted within the word limit of 100 words.
7. The authors are supposed to send both .PDF and .DOCX file of the conference paper to the official email-address (abs.optoin24@csio.res.in) for paper submission.
8. Authors are invited to submit the conference paper only in electronic formats. The required instructions are published on the conference website.
9. The acceptance and rejection of the conference papers is based on the peer review of the submitted paper(s).
